About the University

The Dravidian University was established in year 1997 through a Legislature Act of Andhra Pradesh and conceived as an Inter-State Institution. The University was established at the tri-lingual junction, Kuppam in Chittoor District, A.P., 8 k.m away from Tamil Nadu, 4 km, away from Karnataka and hardly about four hours drive to Kerala, basically to promote a spirit of integration and strong bonds of fraternity among the major Dravidian language speakers of the Southern states and to advance studies and research in the integrated body of Dravidian Cultural heritage. The University is located in a serene rural setting with pleasant greenery spread over the spacious campus of about 1000 acres.

About the Department

The Dept. of Computer Science was established in the year 1999 with the assistance of the Govt. of Andhra Pradesh. This department is one of the first two departments started in this University. The department has well qualified, experienced, and hardworking faculty who are committed in developing the skills of the students in the field of computer science. The department has successfully implemented Choice Based Credit System (CBCS) and is offering the following courses.

- Master of Computer Applications (MCA)
- M.Sc. (Computer Science)
- M.Phil. (Computer Science)
- Ph.D. (Computer Science)

About the Conference
